The KTLA morning show featured an amazing child's Room Designed by Gemma Booker from IBookersGuide.com. The founder of LoganandBlue.com Kirsten Stanwyck represented many of I Booker's Guide members live on KTLA April 9th with some fabulous tips on how you can organize/decorate your child's room on a budget.

Bratt Decor featured their Jane collection Bed, Bookcase, and nightstands, that are made with quality construction and feminine style " Bratt Decor is my choice for any child's room" says Gemma. the girly bed was dressed in fine lines by Serena and Lily the ultimate in affordable luxury linens for children.

The room was organized with the super savvy Toy Pod By Boon Inc. something every child's room should have, and adorable outfits by Frenchy baby Organics and Ruffle Butts made their appearances on customized Hangers.

Allen Ave. provided edgy fun stuffed animals and toys and created a room to remember.

"The entire show was a phenomenal representation of the quality brands represented on I Bookers Guide," said Producer, Mark Weinberg. "We are grateful to KTLA, our manufactures and I Booker Media for this wonderful spotlight feature"
